

Order Your Resource Pack NOW for: Bishops' Lent appeal 2005 - for health projects in southern Africa

Lent 2005 sees the start of a unique partnership between the Diocese of London and the major development and mission agencies including Christian Aid, CMS, Mothers' Union, USPG and Crosslinks. It is an opportunity in Lent for the whole Diocese to support health care projects in southern Africa and help meet our London Challenge Commitment to "serve God's Love in a world city by continuing to work for justice for poor and indebted nations".

This major **NEW** appeal will help you and your congregation to:

- **give** to community health projects in southern Africa through our partner agencies
- **learn** more about their work and how you can help, from our new resource pack
- **pray** for southern Africa with specially written worship resources
- **hear** directly from agency staff about the work that they support.

For your **FREE Resource Pack** please fill in and return the **order form** below to:

Caroll Potter
Administrator for Social Justice,
London Diocesan House
36 Causton Street
London SW1P 4AU
or by email to caroll.potter@london.anglican.org.

Resources will be mailed in **November**

For more details please call Chris Brice on 020 7932 1121
