

Community Ministry Workshop

Appreciative Inquiry

Thursday 14th April 2005

10.30 am to 4.00pm

(Coffee from 10.15 am)

London Diocesan House,
36 Causton Street, London SW1
(nearest tube stations: Pimlico on Victoria Line)

- *An opportunity to discover how Appreciative Inquiry can inform and help us to discern a parish vision.*
- ***Appreciative Inquiry (Ai)** is a dialogue-based way to discover and build on the best of what is, and the vitality, joy, and presence of the Holy Spirit within the Church. Our complaints re re-framed as wishes, wishes are articulated as shared visions, and visions are transformed through dialogue into positive actions.*
- *This one day workshop can provide you with an insight into the principles and practice of the Ai Process that can help revitalise your **mission action plan**, inform your **use of buildings**, help with **community audits** and encourage **appropriate partnerships** in the wider community. Hear from two clergy in the London Diocese how they have begun to use this approach and the positive outcomes they have discovered and anticipate for the future.*

Cost: £20 (to include lunch)
