

## **Prosperity with a Purpose A Day Conference**

**at Methodist Church House, Marylebone Road  
14 April 2005, 11 am – 4.30 pm**

### **Raising Questions before the General Election**

The world is now marked much more by prosperity than by poverty. This new worldwide affluence raises some challenging questions:

- What is good and bad about prosperity?
- How is prosperity to be more widely shared in Britain?
- How can new global markets bring justice to the poor?
- Can we be rich without wrecking the environment?
