

Environment Sunday 5 June 2005

NOAH'S ARK A TALE FOR OUR TIMES

*Climate change? Mass extinctions? Habitat loss? Nothing new!
...join in examining a biblical epic (rescued from Sunday School!), that turns out to be
one of the most significant and powerful bible passages for our times.*

The pack contains:

theological reflection, flexible worship material for liturgical, informal and all-age worship, sermons, bible studies, children's activities, practical suggestions. *The pack is also designed to be linked to 'Operation Noah', the Churches' Climate Change Initiative.*

**Download this pack (and packs from previous years) at www.arocha.org or
purchase a hard copy by returning the slip below with a cheque:**
