SECTION X Checkers

BRIEFING SESSIONS

The Diocese of London will be holding further briefing sessions to update Parishes about the Criminal Records Bureau, the Disclosure process and in particular the role of the Section X Checker. It is important that, if they haven't already done so, at least one person from each parish attends, in order to report back to those who have responsibility for overseeing the procedures.

**Both sessions will cover the same material and will be held at
London Diocesan House
36 Causton Street London SW1P 4AU**

Please complete this form as soon as possible, writing the name(s) of who will attend next to the session.
