

**EVENTS  
SEPTEMBER 2006**

**Prayer for Young Adults in the Heart of London – Jesus Christ the Fullness of Life**

Following January's successful events, a new monthly prayer event will take place at St Andrew's, Holborn at 7.30pm on the first Thursday of the month from 5 October.

Speaking about the event, the Bishop of London said, "The Spirit is moving in the new Europe and I very much look forward to this new initiative which will bring young people from around London to prayer together inspired by the Gospel."

Singers and musicians aged 18-30 are being sought to help with the services. If you are interested in helping please e: [info@jesusthefullnessoflife.org](mailto:info@jesusthefullnessoflife.org). Further information is available from [www.jesusthefullnessoflife.org](http://www.jesusthefullnessoflife.org).

**Becoming an intentionally multi-cultural Church**

This conference, at St James, Alperton, is held in association with CPAS and is for church ministers who want to grow multi-cultural fellowships in multi-faith environments. The conference will aim to inspire those already involved and to encourage others to become involved; to cast a vision for future ministry in a multi-cultural context; and to consider the setting up of an informal network of all involved with or interested in ministry in a multi-cultural context.

28 September, 10am-4pm. For more information or to book, contact the Revd John Root by t: 020 8902 1729, e: [stjames.john@gmail.com](mailto:stjames.john@gmail.com) or the Revd Mark Poulson by t: 020 8574 2055.

**Walk the Grand Walk (along the Grand Union Canal)**

A sponsored walk to Limehouse Basin from Brentford (50km athletic challenge) or Paddington Basin (15km friends and family fun day). All money raised will make a difference to some of the poorest people in the world.

To register, or for more details, visit [www.grandwalk.co.uk](http://www.grandwalk.co.uk).

**Pipe Dreams for Water Aid**

"Everything's hotting up at Private Investigators Inc. Water's down to a trickle. Chief's turning up the heat on a pile of stagnant cases, Fox is making Sparky's temperature rise and the whole team's clinging to the water-cooler for more than a drop of inspiration."

Pipe Dreams is the title of the Autumn production for the Riding Lights Theatre Company. The tour is in support of WaterAid, the UK's major charity dedicated to the provision of safe domestic water, sanitation and hygiene education to the poorest people in the world. 2006 is WaterAid's 25th anniversary. PIPE DREAMS is the hilarious, globe-trotting whodunnit about what's going on with our water, unmasking a villain rather closer to home than we might like to admit. PIPE DREAMS re-connects the water rich with the water poor.

13 October, 8pm, at St Gabriel's, Cricklewood. Tickets are £9 (concessions £6, groups 10+ £5.50). For tickets and further information, visit [www.ridinglights.org/shows/pipedrea\\_001.php](http://www.ridinglights.org/shows/pipedrea_001.php).

### **Public Meeting with the Bishop of Niassa**

An open meeting with Bishop Mark Van Koevering of the Diocese of Niassa in Mozambique.

5pm, 10 September, at St Michael and All Angels, Stoke Newington Common. Contact the Revd Simon Farrer, St Michael's Vicarage, 55 Fountayne Road N16 7ED, t: 020 8806 4225 for more information.

### **Active Faith: A Prayer for Darfur – 17 September**

Waging Peace will be joining with other groups to hold an international day of action for Darfur. A minute of prayer for Darfur will be held at the gates of Downing Street to remind the Prime Minister of his personal commitment of faith and his promise to make sure that another Rwanda never happens.
