## *Recapturing God's vision of a church for all ages*

Change is in the air today, as many people try to create a genuinely mission-shaped church. Fantastic! But, in our increasingly choice-orientated world is it still possible to create a united Christian community that transcends age barriers and is mission-shaped for all ages?

What does a truly 'inter-generational' church look like? How do you shape and grow such a church?

These are just some of the issues we'll be delving into at Body Beautiful? 2 – the second CPAS conference exploring the local church as an all-age community.

The conference will aim to help churches to:

- body-build worshipping communities for all ages
- body-equip ministry for all ages
- body-enable outreach for all ages

**When?** 6-8 November 2006

**Where?** The Hayes Conference Centre, Swanwick, Derbyshire

**Why?** To inspire, encourage, challenge and equip churches to be good news for all

**Cost?** The conference fee is for an all-inclusive package - accommodation at The Hayes, all meals and entry to the conference, including the delegates' pack. You can choose between ensuite (£140) or standard (£125) accommodation.
