JustShare May Day event

JustShare's annual May Day event will take place on Friday 2 May, 12-2pm, on the steps of the Royal Exchange in the heart of the City. JustShare seeks to raise awareness within the City of global social and economic injustice, and one of the ways it does so is by holding a themed campaigning event each year around May Day with speakers, music and stalls.

This year's theme is the impact of debt on poorer people both within the UK and globally; highly topical in the current financial climate and with the Jubilee Debt Campaign's Journey to Justice coming up. Ann Pettifor and Larry Elliott will be speaking, and there will be campaigning stalls run by development agencies and music from local schools. All are welcome. Visit www.justshare.org.uk.
