'Clergy Taster Day'

9th June 2008 (9am – 5pm)

**at St. Andrew's Court House, 7 St. Andrew Street, London
EC4A 3AB.**

Dear Colleagues

I am writing to welcome you to the Cursillo Taster Day in June because I believe you will find it unexpectedly and extremely useful and enjoyable.

Useful:

- As a tool for encouraging members of your Church community to reach out and proclaim the Gospel in their many different environments
- As a tool for giving Christians new energy and enthusiasm for their faith and the building up of the Christian community
- As a means of encouraging prayer and the development of spiritual discipline

Enjoyable:

- To spend time hearing from Christians who are living out their faith in new ways
- Experiencing the Holy Spirit at work within them
- Finding new confidence to proclaim the Gospel and share their own faith with others

The Cursillo programme of a short 3 day intensive course revisiting the essentials of the faith, praying and sharing the sacraments (and much singing), followed by regular small group meetings to continue progress in prayer, study and action is one way of empowering the faithful to share in the work of building the Kingdom.

As we seek to implement the actions of the London Challenge programme I commend Cursillo to you as a method well worth using in planning Church growth and development.

I look forward to seeing you on the 9th June.
