From the London Bishops

The College of Bishops welcomes the new initiative 'Catholics for Growth' which has been developed by a number of catholic clergy in the Diocese, including Canon Simon Evans of St Martin's Ruislip, and the Revd Scott Anderson of St Andrew and St Francis Willesden Green. This reinforces our primary *London Challenge Commitment*: sharing the *Good News* of Jesus Christ in 21st century London. Our Lord's command to go out and make disciples is the mandate for every one of our diverse and colourful parishes. This venture provides another opportunity for the Holy Spirit to make Christ known among the nations gathered in our great City. The Bishop of London says "This is a course that is specifically tailored to catholic parishes and which seeks to work with the grain of how catholic Anglicans engage in the work of evangelisation. I commend it strongly."
