COMMON FUND 2021

*Doing everything we can to support
the mission and growth of the church in London*

THANK YOU

The Common Fund is money given by every parish in London to enable, support and further the work across the Diocese. For Common Fund purposes, in 2021 in view of the ongoing level of uncertainty, we are again using the 2020 Parish Standard Cost figures.

Your support allows us to:

- Fund the costs of the clergy in your parish.
- Invest in mission opportunities, both in existing parishes and new worshipping communities.
- Sustain and grow Christian work and worship in every community.

2020 has been an exceptionally difficult year for us all as we have together responded to the Covid-19 pandemic. PCCs have faced challenges on many fronts including organising worship, serving our communities, and managing parish finances. The Diocese of London is extremely grateful to all parishes for their ongoing generosity in supporting the work of our ministry in London through your continued Common Fund contributions, and we hope, that by working together, we will continue to share the love of God throughout London in 2021.

REFLECTIONS ON THE COMMON FUND

“The generosity of all churches enables us to support the ministry and growth of the church in areas we might not otherwise be able to reach.”

“This model of common fellowship allows us to do more together than we could do alone.”

“Common Fund is the embodiment of a generous spirit.”

“We give above our own costs as a way of sharing our financial strength with less wealthy neighbours.”

“We are very grateful to others who support us and share in our ministry in this area. Without realising it, they are touching lives right here.”

“Common Fund is an expression of love.”
