PURPOSE

The primary purpose of the Racial Justice Priority Group is to provide strategic oversight and act as a steering group that supports the Diocese of London in taking forward the ‘racially just’ priority area of 2030 Vision. By fully integrating racial justice into operational and decision-making processes we aim to build leadership and representation that fully reflects the diversity found in London to achieve equality of access, opportunity and outcome undergirded by Prophecy (James 5:1-6), Prayer (James 5:13) and Patience (James 5:7-11). This will be achieved by:

- Supporting the Diocese of London in the review and development of inclusive practices that integrate racial equality and diversity initiatives in all areas.
- Determining the strategic direction of racial equality and diversity in line with the Anti-Racism Taskforce Report '*From Lament to Action*' and the Diocese of London 2030 Vision.
- Monitoring the progress and impact of appropriate strategies and operational plans.

IN ADDITION, THE PRIORITY GROUP WILL:

- Respond to the Bishop of London on matters in which the group has been consulted
- Consider directives from the Racial Justice Commission and review how these might be implemented into the Racial Justice strategy
- Monitor the effectiveness of purposeful interventions against racial equality objectives, operational plans and any associated targets advising and recommending as appropriate
- Be clear and intentional about the 'external' voice of the Diocese of London in relation to racial justice
- Highlight and challenge the legacy of systemic racism in all its forms where found in structures, policies or practices
- Receive reports from Bishops Council, JOT, SMG and other senior staff on feedback from staff and other sources regarding racial justice.
- Monitor the outcomes of recruitment practises designed to reduce the barriers that impede global majority heritage people from feeling welcome, valued and empowered
- Ensure that communication about the Racial Justice Priority Group is effective, appropriate and raises awareness about progress
- Regular monitoring of racial diversity and inclusion data across the Diocese of London to inform priority actions
