

Priest in Charge\* of Barnsbury Parish

In the heart of Islington, our two enthusiastic churches are looking for someone to lead us in reaching out to our local community and growing the Church as a beacon of hope.

We are

- inclusive in our approach to faith
- committed to traditional and modern styles of worship
- a Church where different ages, social and ethnic backgrounds meet.

We are seeking someone who will

- Be a Priest to our Parish rather than simply a chaplain to our congregation
- Embrace the Diversity of our Parish
- Have some existing experience of fundraising and building works

*We welcome applications from all. However, we are aware that women, people of colour and those declaring disabilities are currently under-represented among our clergy and so we particularly encourage applications from these groups. Appointment of course will be based on merit alone.*

*\*It is intended the post will become Vicar following some local pastoral reorganisation*
