

Manifesto of Nicholas Wood-Dow DL for election to General Synod

1. Restore Church Commissioners' funds to their founding purpose: stipendiary parish ministry.
2. Direct the parish share to mission and the cure of souls.
3. Adopt a charter of care that values our clergy and guards them from mental and physical exhaustion.
4. Renew rich theological resourcing for theological education which is ordinand-centred not budget-centred.
5. Adopt a Churchgoers Charter that honours the volunteers that hold our parishes together.
6. Reform the Mission and pastoral measure.
